

February 2010

Dear Blazer Families,

I hope your 2009-2010 season is off to great start with the Blazers! We are very proud of our program and all of the success our swimmers have achieved over the years. This year is no different; our swimmers are training hard and competing well.

I am writing you to invite you to become a "Blazer Booster". The Blazer Booster program is a combined program between the East and West Side teams. All of the funds raised by the East Side will stay with East Side. The funds raised will assist in offsetting expenses incurred during the year and also assist in any budget shortages. The booster funds will also allow us to provide scholarship assistance to those swimmers with a financial need and support the overall Blazer program.

Here is how the "Blazer Booster" program works: You make a tax deductible donation of \$100 and we list your name in our big meet programs (Division 1, Future Stars, Intrasquad, Polar Bear, Early Bird, and MAL) and monthly newsletters. Your family name will be placed on a huge banner to displayed at our large meets starting with MAL and going thru December. This is our way to saying thank you. As we all know, the current economic climate has caused problems for many of us. With this in mind, we have created a new booster level for those that may be able to donate a little more. For \$250, your name will be printed in bold, and will be designated as a Super Booster.

It is simple to become a Booster, just email rosemaryalbery@yahoo.com or call Rosemary at 913-593-5547. We can bill your family account. Just let us know how you want your family name listed, i.e. T. Smith Family.

Please respond immediately to be included for the Mid American League Championships.

Thank you very much for your ongoing support!

Sincerely,

Mike Lewellyn
Head Coach
